#### Chelina Odbert

Co-founder and Executive  
Director of KDI

#### Matthew Bernstine

Lecturer, Sam Fox School of  
Design & Visual Arts,  
Master of Urban Design  
Program

The annual Informal Cities Workshop provides students with an intensive, hands-on opportunity to grapple with the frictions and interconnections that exist between the informal and the formal aspects of the city.

Chelina Odbert, co-founder of KDI, along with lecturer Matthew Bernstine, will facilitate the 1-credit masterclass. A keynote lecture, which is free and open to the public, opens the weekend, followed by the weekend-long design charrette.
